# BURGERS ♥ BREW

We love a well-crafted beer easily as much as we adore a brilliant burger. We're also keen on wine, cocktails, shakes and softies. Each has its place.

## HOUSE BREWS

We are now firmly in the grip of the craft beer revolution. Hops haven't seen this much radical creativity for decades.

### BROOKLYN BREWERY (US)

#### BROOKLYN LAGER

Bitter, hoppy and refreshing

Brooklyn Lager is a flavorful beer, smooth, refreshing and very versatile with food. Amber-gold in color, it displays a firm malt center supported by a refreshing bitterness and floral hop aroma as well as a caramel malts finishing.

The aromatic qualities of the beer are enhanced by dry-hopping.

### BREWDOG (UK)

#### PUNK IPA

BrewDog's flagship product.

Punk IPA is layered with new world hops to create an explosion of tropical fruit and an all-out riot of grapefruit, pineapple and leached before a spiky bitter finish. This is transatlantic fusion running at the fences of lost empires. Nothing will ever be the same again.

### WHYCHWOOD BREWERY (UK)

#### HOBGOBLIN GOLD

A great representation of an English Ale

Dubbed as a hidden treasure, Hobgoblin Gold is a mix of hop varieties: an infusion of wheat and malted barley that has resulted in the perfect golden beer - with a huge hop punch. Its citrus and wild forest gooseberries scent is sure to make it a weekend favorite.
