Brooklyn Brewery (US)

BROOKLYN LAGER

Bitter, hoppy and refreshing

Brooklyn Lager is a flavorful beer, smooth, refreshing and very versatile with food. Amber-gold in color, it displays a firm malt center supported by a refreshing bitterness and floral hop aroma as well as a caramel malts finishing. The aromatic qualities of the beer are enhanced by dry-hopping.

PUNK IPA

BrewDog's flagship product

Punk IPA is layered with new world hops to create an explosion of tropical fruit and an all-out riot of grapefruit, pineapple and leeches before a spiky bitter finish. This is transatlantic fusion running at the fences of last empires. Nothing will ever be the same again.

HOBGOBLIN GOLD

A great representation of an English Ale

Dubbed as a hidden treasure, Hobgoblin Gold is a mix of hop varieties: an infusion of wheat and malted barley that has resulted in the perfect golden beer - with a huge hop punch. Its citrus and wild forest gooseberries scent is sure to make it a weekend favorite.
